ALICE'S LIMITATIONS.
Alice practices with dumb-bells
In the college "Gym."
She can beat her brother jumping.
She outpaces him
As a sprinter and a fencer;
As for suppers,
She can double up to look like
A big letter S;
She can chin a pole one-handed,
She can vault and leap,
But, alas, she isn't
Strong enough to sweep.
—Chicago Record-Herald.

He has one son, Charles, and two daughters, Mrs. Kate Ryan and Sister Mary Anthony of St. Cecilia's Convent, Nashville, Tenn.

The funeral will be held at 9 o'clock Monday morning from St. Patrick's Church, and the interment will be in Washington.

SERIOUS ACCIDENT

Mrs. Timothy Desmond Fell, Breaking Her Left Leg.

Mrs. Timothy Desmond, mother of Mr. D. L. Desmond, fell at her home in Fourth street this morning while coming down stairs and broke her left leg just below the knee.

Being a very aged person complicates her condition.

Mrs. Desmond is a sister of Mr. McAuliffe, who died last night.

WAS TOO FRESH

William McElfresh Fined For Flourishing a Big Revolver

A band of "Hollases" people have been holding forth in the neighborhood of Lawrence Creek for several weeks.

A few days ago, while in the middle of one of their holy seances, the door of the building in which they were conducting their meeting, suddenly opened and in strode Milton McElfresh, and in his hand was a revolver, which he flourished to the consternation of the congregation.

Stalking up the aisle, and laying his 32 revolver on the inspired desk, he demanded attention. The house was soon depopulated, for that harmless 32 looked as big as a Spanish cannon, and although sanctified, they feared the handiwork of this devil, and as such they evidently looked upon that gun, for they took their leave in great haste, and Mr. McElfresh had things all to his lonesome self.

Some invidious person present thought Mr. McElfresh's actions and antics a little too fresh. Even though it was a "holiness" meeting, he went before Squire Lloyd and swore out a warrant for the disturber.

He was tried and convicted for carrying concealed deadly weapons and fined \$25 and ten days in jail.

After being incarcerated for several days, he appealed his case, gave bond and is now for the nonce a free man.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Malt's Catarrh Cure. Send for circular, free. F. J. CLEMENT & CO., Toledo, O. Sold by Druggists, 75c. Malt's Family Pills are the best.

If "economy is wealth," JOHN GARDNER of Cincinnati will some day become a CRESUS. He gave his wife a dime to buy snapper for a family of seven; and when the poor woman invested the munificent sum in a soup-bone, John kicked over the table, broke the dishes and also into the Police Court.

THAT there is an organized effort, in the Army and out, to down Wood is apparent. Under these circumstances the American sense of fairness will revolt at the idea of convicting him before he has had an opportunity to vindicate his good name.—Cincinnati Times-Star.

And yet many of the papers that are now pleading for justice and fair play for General Wood, have been most persistent in deciding the guilt of Major RATHBONE, whose trial in Cuba was of the same type as the trial of CALLE POWERS in Kentucky.

Miss Fannie Gault has been the guest of the Misses Ronds of the county.

Board of Trade

The meeting last night was attended by some of the faithful.

The English House of Lords decided that women are debarred by their sex from becoming qualified lawyers in England. This for the reason perhaps that England is already generously supplied with Barnaids.

A FEW days ago a brick fell from the eighth story of the new First National Bank Building at Fourth and Walnut streets, Cincinnati, and struck LOUIS CARR, a colored laborer, on the head. He sustained a slight scalp wound and was only dazed. In case the Kentucky Legislature passes a disfranchisement bill, men like Mr. CARR are certainly entitled to exemption.

HARRY CHOATE, at one time a noted character in Cincinnati, died Wednesday night at the Soldiers' Home at Sandusky. During the War he was a Captain in the Sixth Ohio, serving with great distinction and being severely wounded. After the War he became the champion billiard player of Ohio, and for some time was a business partner in Cincinnati of the late MARK WALLACE formerly of this city. Of late years the fates had been cruel to HARRY, and about a year ago he returned from Cuba, broken in health and purse. Brave, generous, whole-souled, loyal friend, may you abide in peace!

TAXES NOT PAYABLE

Appellate Court Indorses a Judgment From Greenup County

The judgment of the Greenup Circuit Court in a case of the Commonwealth against the Chesapeake and Ohio Railway Company was affirmed by the Appellate Court Thursday. Judge Barker delivered the opinion.

The proceeding was by Sheriff Bailey of Greenup county, in the County Court, under Section 4241 of Statutes authorizing the Sheriff to list omitted property.

He listed a line of railway from Covington along the Ohio river through Greenup county to Ashland, which had been leased and the lease not listed for taxation.

He asked a listing for the years 1892 to 1902 and that the Company be required to list as bailees in possession the stock of their stockholders. The lower Court sustained a demurrer to the petition.

The Appellate Court in affirming the lower Court says it would be a strange rule of fiscal law which would authorize the taxation of \$62,525 worth of stock in this large corporation in Greenup county when it does not appear that one share of it is owned in Greenup county.

Messrs. A. D. and W. T. Cole were the attorneys for the appellant in this case, and Hone, W. H. Wadsworth and E. L. Worthington represented the appellee.

Better Than a Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a treatment for the relief of deep seated muscular and rheumatic pains. Sold by J. Jas. Wood & Son.

The Dowie gang itself didn't forget to feather its own nest pretty nicely it seems.

ELECTED PRINCIPAL

Professor G. C. Sherwood Selected Teacher in Covington School

Prof. G. C. Sherwood, who for the past two years has been one of the most efficient and popular teachers connected with the Maysville Public Schools, was Thursday evening elected Principal of the Third District School of Covington by the Board of Education of that city.

There were ten applicants for the position, made vacant by the death of Prof. George A. Yates, who had taught the school since 1872.

In the election for his successor at the Board's meeting Thursday evening, on the first and second ballots Prof. Sherwood got five votes, Mr. Houston Kennedy of Covington three and Miss Lena Martin, also of Covington, three.

The third ballot resulted in the election of Prof. Sherwood, who received nine votes to one each for the other two candidates.

MILLIONAIRE'S POOR STOMACH.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower cures the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

The Douglass Hall passed up with Kanawha empties.

The ice in the Upper Ohio is getting heavy, forcing several packets to the bank.

The ice had disappeared from the river at this point yesterday on account of the thaw.

The river between here and Pittsburgh is lined with towboats and tows of empties waiting for water to get into Pittsburgh.

The Keystone State was compelled to lay up at Rochester on account of the heavy fog. She will leave Pittsburgh this afternoon for Cincinnati.

The strong current in the Mississippi at Memphis has in part undermined the huge sandbar at the foot of Jefferson street, bearing most of it down stream. If it removes every bit, as expected, it will save a tremendous expense to the Government in dredging operations. The bar has been a source of considerable worry and inconvenience to river men, interfering with their mooring.

The French bark Alice Marie has left San Francisco in ballast to load refined petroleum at Philadelphia or New York for the Orient.

It is probably the first case on record where a vessel will sail 14,000 miles without a pound of cargo to secure outward freight. She is not due until next May. No vessel of any other Nationality could afford to do it, but having been built under the French bounty shipping laws, she earns nearly at much without as with a cargo.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. For sale by J. Jas. Wood & Son.

Frankfort and Return \$2.94. On account of the inauguration of Governor Beckham on December 8th the L. and N. will sell round-trip tickets to Frankfort December 7th and 8th at \$2.94; return limit December 10th.

THE RUDE BAND

There are many imitators of Mr. J. C. Lewis's novel and unique method of heralding the advent of the Si Plunkard Co. In each city he appears, he presents the only and original Country Band parade which is well worth going miles to see. This novel street parade will be seen here Wednesday, December 9th, and is funnier than a circus. No doubt you have seen imitations of this parade, but see the original now. While we are flattered by imitators, we do not wish to be classed with these imitators of our success. Seats on sale at Ray's.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Dr. Armstrong of Dallas, Tex., prescribes it daily and says there is no better cough remedy made. Sold by J. Jas. Wood & Son, Druggists.

LA GRIPPE—PNEUMONIA

So many people who have apparently recovered from an attack of *La Grippe* are stricken with *Pneumonia*. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures *La Grippe Coughs*, and prevents *Pneumonia*, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of *La Grippe* about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of *La Grippe*, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

The 50c bottles contain two and one-half times as much as the small size and the \$1.00 bottles almost six times as much.

You Never Know the Moment When This Information May Prove of Infinite Value.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itches of the skin, for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gabby of 925 East Second street says:

For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment, and I bought a box at J. Jas. Wood & Son's Drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure."

\$500 REWARD FOR WOMEN

WHO CANNOT BE CURED.
Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

The Vice-President Independent Order of Good Templars.

An experience which many women have related by Miss Agnes Stebbins, of 211 East 10th Street, New York City, as follows: "I had very poor health for a year until life looked dark and dreary to me. I had headaches, backache, also pain, my sleep was broken and fitful. I longed for health. Tried several medicines but none were of any lasting benefit until I took Doctor Pierce's Favorite Prescription. I soon realized that I had found the right remedy. It helped nature to throw off the poisons that saturated the system, removed all pains and strengthened the digestive organs, and brought the roses of health back to my cheeks. This medicine if taken occasionally keeps the system in perfect condition, helping it to throw off the disease and consequences of exposure to dampness. I am pleased to give it my endorsement."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 one-cent stamps for the paper-covered book, or 31 stamps for the cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.
A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at the end of that time I was in better health than I had been for seven years.
I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.

WINE of CARDUI

Mrs. Nelson describes the condition of thousands of women. That condition comes by slow stages. Usually the important function of menstruation is at first slightly irregular. Then comes the painful periods. Bearing-down pains and ovarian inflammation follow. Finally the nervous system gives way and the whole system has become affected and the pains rack the body from head to foot.

Wine of Cardui is a menstrual regulator of established reputation. No woman who takes it suffers as Mrs. Nelson suffered. It gives speedy and complete relief from the torturing menstrual agonies which are making so many women invalids today. Do not let yourself come to the pitiable condition Mrs. Nelson describes.

Secure a bottle of Wine of Cardui from your druggist today and begin treatment immediately.
